NOTE: Course scheduling for TROY ONLINE is completed by the Division Chairs in each college for all University campuses and the TROY ONLINE Support Center sites. All faculty, full time and adjunct, are assets of the College Department. TROY ONLINE is not officially assigned any faculty. Instructors are certified to teach within their respective discipline area, but no guarantees are made that an instructor will be scheduled to teach a course(s) in a specific term or in every term. Any questions regarding these changes can be directed to the [Division Chairs](#) .

Faculty contracts are prepared by Departmental Secretaries, [Secretaries Contact List](#) and will be emailed through Echo Sign each term after the last day of drop and add. If you do not receive a contract by the fourth week of the term, please contact the Departmental Secretary.

Faculty members must check over each contract carefully. If you find any mistakes do not electronically sign the contract. Contact the Departmental Secretary to make the corrections and ask her to resend you the contract. When the contract is corrected you can sign and submit it.

Changes in address, telephone number, or name will require the submission of a new Manpower Input documents available on the Human Resources page, [Employee Data Collection Form](#) .

Changes in federal or state tax withholdings require the submission of a new W-4 or State Withholdings form and cannot simply be noted on the contract itself. These forms need to be mailed to:
