

Reciprocity and Verification

Go to the State Board of Education for whichever state you are transferring to and follow their directions. Do not leave this to the last minute for many states are now requiring additional testing.

Verification forms may be sent by mail, email or fax. Please make sure to use a coversheet and let us know where to return the form. If no direction is given we will send directly to the State Board of Education.

Send Verification forms to:

Debi Rus

313 Hawkins Hall

Troy, AL 36082
