COLLEGE OF COMMUNICATION AND FINE ARTS

1. Larry Blocher discussed the need for regular course numbers for the following selected topics and course description changes.

MUI 4400 11XX American Popular Music Ensemble (1)

An examination and application of music and music performance focused in the American popular music genres. Students will experience and perform popular music styles/genres including rock, R&B, mainstream pop, country, and hip hop among others. In addition, students will experience studio production process and procedure in the recording of music tracks for release through a record label. *Prerequisite: By audition.*

MUI 4400 22XX Improvisation (1)

An introduction to basic improvisation through guided performance practices. Jazz symbols and terminology will be used to describe various chords and scales. The “musical vocabulary” presented in this course is designed to provide a strong foundation that can be applied to multiple styles of American popular music. Students who complete the course will have the necessary tools to improvise at a basic harmonic level. *Prerequisite: MUS 1103.*

MUI 4400 33XX Sound Reinforcement (2)

An overview of contemporary live sound reinforcement techniques. Students will experience various aspects of working in the live sound environment including: audio component types, venue/acoustical considerations, signal processing/application, specific technical considerations, microphone techniques, mixing techniques, and sound crew protocol. *Prerequisite: MUI 3310.*

MUI 4400 33XX Audio for Producers (2)

An overview of audio production in the project recording studio environment, including industry-standard process and procedures. In addition, the roles of the producer, engineer, and musician are explored through a series of recording sessions while working with digital audio formats for iPad and laptops. A final recording project will be completed as a part of the student’s portfolio. *Prerequisite: MUI 3310.*

MUI 4400 33XX Audio Mixing (2)

An exploration and application of master mixing techniques used in contemporary audio production. *Prerequisite: MUS 3326.*

MUI 4400 44XX Audio Mastering (2)

An advanced hands-on approach to the principles and practices of audio mastering. The course focuses on the use of digital audio workstations specially designed for audio mastering and related outboard equipment. *Prerequisite: MUI 33XX Audio Mixing.*

MUI 4480 Seminar in Music Industry (3)

An advanced course focused on the development of the professional skills portfolio. The student will develop a project to be added to their portfolio upon completion. *Prerequisite: MUI 4460.*

MUS 4401 11XX (1)

This course is the blanket course number that encompasses two different ensembles at Troy University. The Chinese Traditional Music Ensemble the Irish Traditional Music Ensemble. The members of both ensembles will perform traditional music on traditional instruments, with the goal of learning traditional melodies and musical interactions typical in the music of these diverse cultures and locales.

MUS 4401 11XX Guitar Ensemble (1)

This course is designed to increase student knowledge of guitar ensemble and chamber music repertoire through performance, listening and concert attendance.

MUS 4400 11XX Opera Workshop (1)

This course is a performance workshop, uniquely tailored to showcase enrolled students. Students will be assigned a scene or a role, be expected to learn music independently, coach music and presentation during class hours and perform on designated concert date(s). This course is open to all students interested in classical singing and performance. Students will audition for roles and be coached with positive reinforcement to be part of a successful performing ensemble representing the School of Music.

MUS 4400 33XX Choral Leadership (1)

Intensive score study, performance practices, and conducting practice of standard repertoire.

MUS 4400 44XX Flute Choir (1)

This course is designed to increase student knowledge of flute choir repertoire through performance, listening, and discussion.

Motion was made by Phillip Mixon to accept the addition of regular course numbers to Music Selected Topics and the changes to the course descriptions.
