

TRANSFER GUIDE

TROY UNIVERSITY
AND
VIRGINIA COMMUNITY COLLEGE SYSTEM

NORTHERN VIRGINIA COMMUNITY COLLEGE

TRANSFER STUDENTS

TROY UNIVERSITY IS COMMUNITY COLLEGE STUDENTS' GATEWAY TO A BACHELOR'S DEGREE!

Through system-wide agreements between the Virginia Community College System (VCCS) and 4-year colleges and universities, Troy University offers guaranteed admission to qualified* graduates from one of Virginia's community colleges. This means that you can get up to 60 transferable credits towards your bachelor's degree and satisfy the general education component of the first two years of TROY's bachelor's programs.

This applies to the completion of one of the following transfer-oriented associate's degrees offered through the Virginia Community College System:

- Associate of Arts
- Associate of Science
- Associate of Arts and Sciences
- General Studies associate's degrees that have been approved by the State Council of Higher Education for Virginia (SCHEV) as transfer degrees

STEPS TO TAKE

- For maximum credit and to avoid delaying degree completion, plan early. Your school counselor will work with you and help you to coordinate with a TROY advisor.
- Transferable credits with a grade of C or better will be accepted

*Students must meet the eligibility requirements set forth by the VCCS. More information is available at <http://www.myfuture.vccs.edu/transfer>.

For more information, you can speak with a student services representative at 703-778-6315 or 888-331-3326 or email them at troydc@troy.edu.

- Flexible transfer policy
- A wide variety of undergraduate degree and certificate programs
- Financial aid options
- A full array of student services

The Guaranteed Transfer Agreement can be found at <http://www.vccs.edu>

Troy University's **Bachelor of Science in Interpreter Training** provides graduates with the content knowledge and skills necessary to be licensed deaf interpreters. This program meets societal needs by training interpreters for employment in various settings where they will serve deaf and hard of hearing populations.

TROY's Interpreter Training Program is often chosen by students who are:

- Preparing to work as deaf interpreters in areas such as colleges, public school or as freelance interpreters
- Looking to enter work in human services areas such as vocational rehabilitation, early childhood education, and social and mental health agencies
- Seeking employment in theaters, libraries, companies, museums, or any other public or private arenas in which deaf and hearing people interact

The **Bachelor of Applied Science in Resource and Technology Management** is specially designed for individuals with skills and understanding obtained from accredited post-secondary technical schools, community colleges, military schools and non-traditional sources. The unique feature of this degree program is that credit may be awarded for completion of technical courses and/or learning acquired through experience.

TROY's Bachelor of Applied Science in Resource and Technology Management is often chosen by students who are:

- Information Security professionals and wish to validate their experience academically or for those who want to pursue a career in Information Security
- Seeking to be qualified for entry-level employment in the growing field of computer based communication, security and information storage
- Seeking to open doors into management, broader career possibilities and greater growth potential
