

TRANSFER GUIDE

TROY UNIVERSITY
AND
CENTRAL TEXAS COLLEGE

TRANSFER STUDENTS

TROY UNIVERSITY IS A STUDENTS' GATEWAY TO A BACHELOR'S DEGREE!

Through an articulation agreement between Central Texas College (CTS) and Troy University (TROY), general education/general studies courses may transfer from CTS to TROY. This means that you can transfer credits towards your bachelor's degree and satisfy the general education component of the first two years of TROY's bachelor's programs.

This applies to the completion of one of the following transfer-oriented associate's degrees:

- Associate in Applied Science in Hospitality Management
- Associate in Applied Science in Restaurant and Culinary Management
- Associate in Applied Science in Criminal Justice

STEPS TO TAKE

- For maximum credit and to avoid delaying degree completion, plan early. Your school counselor will work with you and help you to coordinate with a TROY advisor.
- Transferable credits with a grade of C or better will be accepted

Students must meet the eligibility requirements set forth by CTS and TROY. More information is available at <http://www.troy.edu>.

For more information, you can speak with a student services representative at (877) 451-8202 or email them at troyopen@troy.edu.

- Flexible transfer policy
- A wide variety of undergraduate degree and certificate programs
- Financial aid options
- A full array of student services

The articulation agreement can be found at <http://www.troy.edu>

The Bachelor of Applied Science in Resource and Technology Management is specially designed for individuals with skills and understanding obtained from accredited post-secondary technical schools, community colleges, military schools and non-traditional sources. The unique feature of this degree program is that credit may be awarded for completion of technical courses and/or learning acquired through experience.

TROY's Bachelor of Applied Science in Resource and Technology Management is often chosen by students who are:

- Professionals and wish to validate their experience academically or for those who want to pursue a technical career
- Seeking to open doors into management, broader career possibilities and greater growth potential

For more information, you can speak with a student services representative at (804) 765-3571 or email them at ftlee@troy.edu.

The **Bachelor of Science in Criminal Justice** is designed to prepare students for professional and research careers in criminology, criminal justice and related fields. Students seeking this degree will examine and critically analyze the criminal justice system from a psychological, sociological, legal and administrative perspective. While the curriculum is intensely devoted to law enforcement, courts and corrections, students will also become knowledgeable about such issues as domestic and international terrorism, drugs, crime causation, victims, ethics, white collar/corporate crime, juvenile delinquency and gangs. Ultimately, the mission of the program is to produce graduates who possess the necessary skills and knowledge to function in the twenty-first century criminal justice system.

TROY's Bachelor of Science in Criminal Justice is often chosen by students who are:

- Preparing for employment in municipal, state and private agencies; federal law enforcement agencies; administrative positions in municipal or state agencies; or as instructors in police education programs
- Seeking a career in probation, parole, or institutional services with either adults or juveniles
- Preparing for law school, court administration, paralegal work or legal research positions

For more information, you can speak with a student services representative at (804) 765-3571 or email them at ftlee@troy.edu.

- Flexible transfer policy
- A wide variety of undergraduate degree and certificate programs
- Financial aid options
- A full array of student services

	72			Total TROY Transfer Credits for Bachelor of Business Administration, Management Major, Hospitality and Tourism Concentration 73

The **Bachelor of Science in Business Administration (BSBA)** prepares individuals for managerial positions and the responsibilities of leadership. It is designed to offer undergraduates an opportunity to obtain proficiency in management skills and decision making to enable them to carry out responsibilities in both the public and private sectors. It emphasizes setting and accomplishing goals by the efficient and effective utilization of a manager's resources: money, machines, materials and people.

TROY's Bachelor of Science in Business Administration is often chosen by students who are:

- Receiving an Associate of Science in Business degree
- Preparing for entry and mid-level management positions in banking, marketing, sales, personnel, management and operations
- Pursuing a Masters in Business Administration

For more information, you can speak with a student services representative at (804) 765-3571 or email them at ftlee@troy.edu.

- Flexible transfer policy
- A wide variety of undergraduate degree and certificate programs
- Financial aid options
- A full array of student services
