Your proctor information must be provided to the Columbus and Fort Benning Locations via the online MFT or MAPP Testing Form early enough to allow Troy University a minimum of two weeks advance notice to verify your proctor's identity and to mail the exam to them by certified mail. This is especially important for those students located outside the continental United States. Please follow the instructions above for accessing the MFT or MAPP Testing form. More details regarding proctor qualifications are provided on the form. If you have additional questions, please call Dawn Evans at 706-660-2304 or email her at [cwilkerson7410@troy.edu](mailto:cwilkerson7410@troy.edu).

ProctorU is a company that offers live internet proctoring via webcam. You create an account with ProctorU and reserve a timeslot for your exam. When you log back into the site for your exam appointment, a proctor makes a connection with your computer and supervises you while you take your test.

ProctorU charges \$25 for a 2-hour exam. Additional fees exist for longer exams and appointments scheduled less than four days ahead of time. You need a webcam with a microphone and a good internet connection to use ProctorU. You may purchase a webcam on MBS or at any other retail store, or you can use one you already own.
