- Annually exceeded publication (>300%), presentation (>400%) and external funding (>300%) goals

**Chief Compliance Officer & Vice President of Training & Development**,

*Life Care Home Health, Inc.*, 2013- Present

**Chief Training Officer**, *Life Care Home Health, Inc.*, 2012- 2013

Recruited to serve as a senior executive team member, and Governing Body Member, within this national multi-site home health and hospice organization, responsible for the comprehensive development, implementation and evaluation of federal and state compliance programs, while providing direct oversight of the organization's proprietary staff development and training university system.

- Developed and implemented compliance and clinical evaluation programs, responsible for realizing >35% increase in overall compliance scores within 12 months.
- Successfully managed multiple state and federal survey responses, to include the development and management of quantitative Plans of Correction, with a 100% acceptance/ resolution rate.
- Full redesign of the organization's New Associate Orientation Program and ongoing staff development programming, to include hybrid models to demonstrate full compliance with regulatory and accreditation guidelines, with a greater than 95% average user (physicians, nurses, social workers, certified nursing assistants, and therapists) evaluation/ satisfaction score.
- Developed, implemented and evaluated a comprehensive automated Quality Assurance/ Performance Improvement (QAPI) program, which provided the opportunity to track, trend and evaluate 54 quality and compliance indicators, which quantified the organization's evaluation practices.
- Successful management of multiple accreditations to include: JCAHO, ACHC, ANCC, NASW and ABSWE.
- Comprehensive management of policy and procedures; governance documentation and annual reports; privacy practices and HIPAA compliance; compliance and ethics investigations; contracting; and sentinel events.

**Vice President of Education & Chief Compliance Officer**, *Hospice Partners of America*, 2010- 2012

- Senior executive officer responsible for the provision of leadership and management, throughout a national operational footprint, related to all educational programming and compliance activities as specified by the *Federal Medicare Conditions of Participation, 42 CFR§ 418*
- Developed and implemented an accredited/ approved comprehensive new employee orientation curriculum for the following disciplines: nurses, social workers, chaplains, hospice aides, volunteer coordinators, administrators and clinical directors
- Developed, implemented and evaluated annual continuing education programs, via HPA University, for the following: nurses, social workers, chaplains, hospice aides, volunteer coordinators, administrators and clinical directors
- Developed and managed a comprehensive State and Federal Compliance Program for agencies to include: weekly, monthly and quarterly compliance evaluations; Board reporting; Compliance Hotline management and reporting; provision of technical assistance; rapid response to State and Federal inquiries; and oversight of internal and external Plans of Correction

- Served as primary driver for securing accreditation and/or approval of educational programs and operational units to include: Joint Commission, American Nursing Credentialing Centers, National Association of Social Workers, Alabama Board of Nursing, Alabama Board of Social Work Examiners, and National Association for Long Term Care Administrator Boards
- Provided project management leadership and support related to the following: mergers and acquisitions; integration; licensing; due diligence studies; quality assurance/ performance improvement; and physician contracting and education

**Technical Assistance Specialist, *National Association for Councils on Developmental Disabilities, 2006-2010***

- Performed research, program/ curriculum development, and teaching for the National Information and Technical Assistance Contract, funded by the Administration on Developmental Disabilities
- Responsible for the provision of technical assistance and education to Councils on Developmental Disabilities located in all US States and Territories
- Primary assigned focus areas included: organizational leadership and development; sustainability; inclusion; and Council operations and administration

**Adjunct Instructor, *Troy University, 2004-2005***

- Instructed one lecture-based class per term
- Fall 2004: Crisis Intervention; Spring 2005: Crisis Intervention; Summer 2005: Human Behavior in the Social Environment

**Director of Staff & Program Development, *Wiregrass Hospice/ Gentiva Health Services, 2003-2005***

- Senior executive responsible for the provision of leadership and management, throughout a regional operational footprint, related to all educational programming and program development efforts to include: new employee orientation; continuing education; community education; budget management; staff management; and relationship management with key stakeholders
- Served as primary driver for securing accreditation and/or approval of educational programs to include: American Nursing Credentialing Centers, National Association of Social Workers, Alabama Board of Nursing, Alabama Board of Social Work Examiners, and National Association for Long Term Care Administrator Boards
- Responsible for the development, implementation and evaluation of internal and external education programs within a corporate educational unit issuing greater than 15,000 accredited/ approved contact hours annually

- Provided project management leadership and support related to the following: mergers and acquisitions; integration; licensing; due diligence studies; quality assurance/ performance improvement; and physician contracting and education
