Stephen C. Landers, Ph.D., Professor  
Cell biology of protozoa, Taxonomy and ecology of protozoa from freshwater and marine ecosystems  
Phone: 334/670-3661  E-mail: slanders@troy.edu  
Webpage: http://spectrum.troy.edu/~anders/  

Christi Magrath, Ph.D., Associate Professor  
Yeast genetics, transcription and replication of nucleic acids, and the role of yeast in bioremediation of lead  
Phone: 334/670-3622  E-mail: cmagrath@troy.edu  
Webpage: http://spectrum.troy.edu/~magrath/  

Wayne Morris, Ph.D., Associate Professor  
 Floristic studies in southeastern United States, threatened and endangered vascular plant surveys, systematics of Orchidaceae, invasive plant species.  
Phone: 334/670-3940  E-mail: mwmorris@troy.edu  

Philip Reynolds, Ph.D., Assistant Professor and Health Professions Advisor  
Steroid receptors, prostate cancer, and environmental endocrine disruptors  
Phone: 334/670-3581  E-mail: preynold@troy.edu  
Webpage: http://spectrum.troy.edu/~reynolds/  

Paul M. Stewart, Ph.D., Professor and ALFA Chair of Environmental Management and Agriculture  
Biological integrity and development of regional biocriteria, ecological assessments, and candidate and rare species research  
Phone: 334/670-3932  E-mail: mstewart@troy.edu  
Webpage: http://spectrum.troy.edu/~stewart/  

Alicia Whatley, Ph.D., Assistant Professor  
Molecular biomarkers of toxicity, ground-water contamination, hazardous waste management, and tropical environmental studies  
Phone: 334/670-3776  E-mail: awhatley@troy.edu  
Webpage: http://spectrum.troy.edu/~whatley/  

Michael Woods, Ph.D., Professor and Herbarium Curator  
Floristic and ecological studies, Taxonomic revisions in the Fabaceae  
Phone: 334/670-3403  E-mail: mwoods@troy.edu  
Webpage: http://spectrum.troy.edu/~mwoods/  

Kewei Yu, Ph.D., Assistant Professor  
Global climate change and greenhouse gases, Wetland biogeochemistry, and water quality.  
Phone: 334/808-6316  E-mail: kyu@troy.edu  

GRADUATE ADMISSIONS & INFORMATION

U.S. Students

Graduate Admissions Contact Information:  
http://www.troy.edu/graduateschool/index.html  
Telephone: 334/670-3179

Mail the completed application packet to:  
Graduate Admissions Office  
Troy University  
Graduate School  
Troy, AL 36082 USA

International Students

International Graduate Admissions Contact Information:  
http://troy.troy.edu/internationalprograms/index.html  
Telephone: 334/670-3335

Mail the completed application packet to:  
Center for International Programs  
123 International Center  
Troy University  
Troy, AL 36082 USA

Departmental Correspondence and Information:  
Troy University  
Department of Biological and Environmental Sciences  
213 McCall Hall (MSCX)  
Troy, AL 36082 USA

Telephone: 334/670-3401 (office)  
Fax: 334/670-3662  
Biological - askdrb@troy.edu or  
Environmental - mstewart@troy.edu
