Section I.c Enrollment

Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled.

For the purpose of Title II reporting, an enrolled student is defined as a student who has been admitted to a teacher preparation program, but who has not completed the program during the academic year being reported. An individual who completed the program during the academic

year being reported is counted as a program completer and *not* an enrolled student.

Additional guidance on reporting race and ethnicity data.

Total number of students enrolled in 2013-14:	221
Unduplicated number of males enrolled in 2013-14:	49
Unduplicated number of females enrolled in 2013-14:	172

Section I.d Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2013-14.

Average number of clock hours of supervised clinical experience required prior to student teaching	150
Average number of clock hours required for student teaching	600
Average number of clock hours required for mentoring/induction support	0
Number of full-time equivalent faculty supervising clinical experience during this academic year	15
Number of adjunct faculty supervising clinical experience during this academic year (IHE and PreK-12 staff)	375
Number of students in supervised clinical experience during this academic year	167

Please provide any additional information about or descriptions of the supervised clinical experiences:

The word "induction" is being used to mean the first three years an individual is teaching. Troy University does provide a guarantee statement that if a candidate is recommended for state teacher certification in Alabama, he/she shall be granted remediation at no cost, under certain circumstances.

Section I.e Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2013-14. For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. (\$205(b)(1)(H))

Section I.f Program Completers

Provide the total number of teacher preparation program completers in each of the following academic years:

2013-14: 167

2012-13: 210

2011-12: 202

Section II Annual Goals - Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. (§205(a)(1)(A)(ii), §206(a))

Information about teacher shortage areas can be found at <http://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in mathematics in each of three academic years.

Academic year 2013-14

Did your program prepare teachers in mathematics in 2013-14?

Yes

How many prospective teachers did your program plan to add in mathematics in 2013-14?

3

Did your program meet the goal for prospective teachers set in mathematics in 2013-14?

Yes

Description of strategies used to achieve goal, if applicable:

Stronger recruitment into the program by the College of Education and College of Arts and Sciences.

Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

Section IV Low-Performing

Provide the following information about the approval or accreditation of your teacher preparation program.

Is your teacher preparation program currently approved or accredited?

Yes

If yes, please specify the organization(s) that approved or accredited your program:

State
NCATE
SACS

Is your teacher preparation program currently under a designation as "low-performing" by the state (as per section 207(a) of the HEA of 2008)?

No

Section V Use of Technology

Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.

Does your program prepare teachers to:

- integrate technology effectively into curricula and instruction
Yes
- use technology effectively to collect data to improve teaching and learning
Yes
- use technology effectively to manage data to improve teaching and learning
Yes
- use technology effectively to analyze data to improve teaching and learning
Yes

Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

In EDU 4499, Technology Across the Curriculum, all elementary education students must search for web sites for use in the Elementary classroom. The web sites must be pertinent to the following four areas:

1. Safe, responsible, legal and ethical uses of technologies including fair-use and copyright issues.
2. Technology, including student assessment for and use of assistive technology devices
3. Available and emerging technologies that support the learning of all students
4. Links for lesson plans available on the web

The student must create annotated bibliographies for each web site describing the usefulness and/or purpose of each site.

In EDU 4499 students must also create a web page used to distribute information as well to enhance instruction through the use for appropriate web sites

Students collect, manage and analyze data using technology through the internship teacher work sample

Section VI Teacher Training

Provide the following information about your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.

Does your program prepare general education teachers to:

- **teach students with disabilities effectively**
Yes
- **participate as a member of individualized education program teams**
Yes
- **teach students who are limited English proficient effectively**
Yes

Provide a description of the evidence your program uses to show that it prepares general education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

1. General educators participate in IEP meetings. Inclusive education is presented as an achievable appropriate norm in all classes beginning with SPE 3340: (The Diverse Learner).
2. Students are engaged in team assignments re: preparation of IEP plans for at-risk and special needs students. These are assessed in related critical assignments. Students are required to include modifications for all special needs students in their lesson plans.
3. Course content and critical competencies for all students re: IEP content and co-teaching are presented in SPE 3340.
4. All teacher education students take SPE 3340, Diverse Learners and EDU 3305: Teaching with Technology. Objectives and assignments for preparing students to instruct students who are limited English proficient are included in both classes.

Does your program prepare special education teachers to:

- **teach students with disabilities effectively**
Yes
- **participate as a member of individualized education program teams**
Yes
- **teach students who are limited English proficient effectively**
Yes

Provide a description of the evidence your program uses to show that it prepares special education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

Research/presentation on instructional strategies to adapt curricula for students with mild disabilities.

Course includes presentations/handouts/speaker on IEP teams, requirements of IEP and practice in writing an IEP.

All students complete a course on policies and procedures on an IEP team meeting and documentation of such meetings. These are identified as critical

assignments. Multiple methods courses specific to teaching children with disabilities and field assignments in classes for special needs students are required.
