Online courses taught during the summer semester/T5 shall be paid at the Troy Online rate except for online courses taught as part of programs taught solely online. If a course is part of an academic program that is taught in a face-to-face format anywhere within the University, said course shall be paid at the Troy Online rate. Summer courses taught as part of a program taught solely online shall be paid per AOP 4-20-07-01 Summer Contract 10-Month Pay Formula. Any exception must be approved by the Senior Vice Chancellor for Academic Affairs.

The formula for use in calculating 10-month faculty summer contracts follows:

\[
\text{monthly salary for summer teaching} = \frac{\text{annual salary}}{35 \times 1.15} \times \text{semester hours taught in summer} \div 2 
\]

for calculating tenured/tenure track full-time faculty teaching loads.

*Note: 35sh = 11.5 courses per 10/12 month contract.

Examples are provided below for clarification purposes:

**UG Courses - Example 1:** $54,600/35sh x 8sh / 2 mo. = $6,240 a month for summer

Monthly pay is $5,460 per month

This contract would be capped at $5,460 for the two months in the summer session

**UG Courses - Example 2:** $70,492.19/35sh x 6sh / 2 mo. = $6,042.18 a month for summer

Monthly pay is $7,049.22 per month

This contract would not be capped. $6,042.18 would be paid for the months of June and July

**UG Courses Example 3:** $41,496/35sh x 3sh / 2 mo. = $1,778.40 a month for summer

Monthly pay is $4,149.60 per month

This contract would not be capped. $1,778.40 would be paid for the months of June and July
Graduate Courses - Example 4: $55,127/35sh x 3sh Grad x 1.3 / 2 mo. = $3,071.36 a month for summer

    Monthly pay is $5,512.70 per month
    This contract would not be capped. $3,071.36 would be paid for the months of June and July

UG and Graduate Courses - Example 5: $41,496/35sh x 3sh UG + 3sh Grad x 1.3 / 2 mo. = $4,090.32 a month for summer

    Monthly pay is $4,149.60 per month
    This contract would not be capped. $4,090.32 would be paid for the months of June and July
