Other Required Information: Check Yes or No in the appropriate box for each question.

		Yes	No
1.	Does the University intend to control and direct the individual as to the details of how the work is to be performed, instead of dictating only the results of the work?		
2.	Will the individual provide a similar service as performed by other University employees in this or any other department?		
3.	Will the individual supervise or direct other University employees as part of the service provided?		
4.	Will the individual provide his or her own equipment/tools/materials required to perform the services?		
5.	Will the individual receive little or no training from the University on how to perform the services?		
6.	Does the individual provide this service to the general public, including other businesses, as part of a trade or business?		
7.	Will the individual's services be an integral part of the University's daily ongoing activities, or, in the case of sponsored research, be carried on during substantially the entire term of the grant or contract?		
8.	Has the individual performed similar service for the University during the last 12 months?		
9.	Except for a individual engaged to teach or lead classes, seminars, or similar meetings, does the University require the individual to be present in University facilities at certain times or on certain days to perform the services?
