EMERGENCY ADVERTISEMENT FOR PRE-QUALIFICATION OF CONTRACTORS AND CONSTRUCTION BIDS FOR

**BID# 18-017 REPLACE BURST COILS AT MATH AND SCIENCE BUILDING
TROY UNIVERSITY
TROY, ALABAMA**

This project includes, but is not limited to the following: Removal and disposal of existing coils and installation of new coil in two locations.

This public works bid has been deemed an emergency in accordance with the Code of Alabama Section 39-2-2 (e), "in case of an emergency affecting public health, safety, or convenience, as declared in writing by the awarding authority, setting forth the nature of the danger to the public health, safety, or convenience which would result from delay, contracts may be let to the extent necessary to meet the emergency without public advertisement. The action and the reasons for the action taken shall immediately be made public by the awarding authority upon request."

A mandatory pre-bid meeting is scheduled for February 6, 2018 at 3:00PM CST, at One Melton Carter Drive, Troy, AL in the Physical Plant Conference Room at which time potential contractors must provide demonstration of qualifications.

The Owner intends to award a single contract to a single contractor. The Owner will accept proposals only from pre-qualified firms which demonstrate their experience and ability to perform the work necessary for this Project. Interested General Contractors must submit a Contractor's Qualification Statement showing minimum qualifications to be certified by prospective bidders to include but not limited to: 1) statutory licensure requirements, 2) proof, in the form of a letter from a licensed bonding agent, of current bonding capacity in excess of 2 million dollars, 3) minimum of 5 years in operation as a General Contractor under the same company name 4) minimum annual volume of 2 million dollars in construction value for each of the past three years and at least three (3) construction projects of a similar size and scope to this project completed during the last twenty-four (24) months and 5) Submit all prequalified information required to the Physical Plant office before the bid opening.

Sealed proposals will be received by Jessica Hasson, Office of Purchasing and Asset Management, at the Troy University Physical Plant Conference Room, one Melton Carter Drive, Troy, AL. until 3:00 PM CST – Friday, February 9, 2018 for Replacing burst coils at Math and Science Building at which time and place they will be publicly opened and read aloud. Due to this project being deemed an emergency, and the accelerated timeline, a public notice of the awarded contractor will be published as a legal advertisement once awarded.

Bids must be submitted on proposal form included in project manual. All bidders bidding in amounts exceeding that established by the State Licensing Board for General Contractors must be licensed under the provisions of Title 34, Chapter 8, Code of Alabama, 1975, and must show evidence of license before bidding or bid will not be received or considered; the bidder shall show such evidence by clearly displaying his or

her current license number on the outside of the sealed envelope in which the proposal is delivered. The Owner reserves the right to reject any or all proposals and to waive technical errors if, in the Owner's judgment, the best interests of the Owner will thereby be promoted.

A certified check or Bid Bond payable to Troy University in an amount not less than five percent (5%) of the amount of the bid, but in no event more than \$10,000.00 must accompany the bidder's proposal. Bidders must submit with the proposal a letter from an Insurance Carrier approved by the State of Alabama as evidence of insurability. Performance Bond valued at 100% of the contract amount and Payment Bond valued at 50% of the contract amount will be required at the signing of the Contract.

The State of Alabama passed new legislation effective January 1, 2012 known as the Beason-Hammon Alabama Taxpayer and Citizen Protection Act, Act No. 2011-535. This legislation requires anyone receiving state monies to verify that they are in compliance with the new immigration law. AWARDED vendors must be able to prove compliance through the Federal E-Verify process via www.uscis.gov/everify or <http://immigration.alabama.gov>. No payments will be made to any vendor who cannot prove satisfactory compliance, as stated. This compliance is required regardless of dollar value of bid.
