Award Highlights

Academics

Academic Affairs

International Programs

The World Learning Host Institution Program is funding three students this fall. The students come to us from Azerbaijan, Tajikistan and Morocco.

Arts and Sciences

Archaeology

The City of Anniston, AL funded a cultural assessment survey of six acres for a possible water storage facility.

Biological and Environmental Sciences

PowerSouth Energy Cooperative signed a contract for Jonathan Miller and his team to complete a Mussel Survivability survey.

Dr. Christopher Boyd received notice of award from NOAA Restore for his *Living Shoreline Site Suitability Model Transfer for Selected Bodies within the Gulf of Mexico*.

Center for Public Service

The Center was awarded a Department of Human Resources contract to conduct a wage and salary analysis for the Head Start Program.

DHR has also contracted with the Center to provide logistical support for a SNAP E&T conference to be held in October.

Chemistry and Physics

Drs. Govind Menon and Jacqueline Jones, as part of the GABBR, have been awarded a Louis Stokes Alliances for Minority Participation Grant (LSAMP).

Business

Manuel H. Johnson Center for Political Economy

The Institute for Humane Studies has funded a fall semester reading group.

Welcome
2017/2018
Faculty!
We're glad
you're
back!

Education

ACCESS

Area schools are taking advantage of the ACCESS buy in opportunity. Some of this year's schools include Autauga Academy, St. John Paul II Catholic High School, Snook Academy, Alabama Christian Academy Abbeville Christian Academy, Conecuh Springs Christian School and Sumiton Christian School.

Education

The National Education Foundation will fund Drs. Etheridge and Jewell's project, 'Fostering a Collaborative Partnership for Field Experiences'.

Interpreter Training Program

The Alabama Department of Mental Health will provide scholarships for students in the Interpreter Training Program for 2017/2018 and the 2018/2019 school terms.

Health and Human Services

Bureau

Alabama's Department of Youth Services has funded Troy Group Home, Targeted Case Management, and the Community Program Monitor for 2017/2018 and 2018/2019.

J.W. Schmidt Center for Student Success

Service Learning and Civic Engagement

Campus Kitchens and the AARP Foundation for Senior Outcomes is funding the Senior Gardens and Wellness Initiative project.

TRIO

The U. S. Department of Education has awarded Troy University a Ronald E. McNair Post-Baccalaureate Achievement Program grant. This is a significant five-year funding project.

Library

Library

The Alabama Humanities Foundation will provide funding for 'A Conversation with Riva Schuster Hirsch'. Mrs. Hirsch will visit the Troy campus this fall to share her experiences as a holocaust survivor.
