Dr. Fulmer asked for a discussion on Research and Summer Research Grants. The committee discussed the grants. The FDC Chair will notify the Research and Summer Research applicants that the budget, for the FDC, will not permit funding for their requests and indicate that the FDC chair is working with Dr Ingram and the Deans to determine possibilities for these proposals to be funded in whole or in part.

The FDC chair will notify one of the Summer Research applicants that major elements within her proposal prohibit her from receiving FDC funding (she was requesting travel costs to present a paper, an IPAD and software, which is already available, via a site license, within the SCOB). This Chair will recommend that the applicant discuss support of this nature from her departmental chair and college dean.

The FDC chair will notify the three Research/Summer Research applicants whose three-year totals of FDC support, by policy, do not allow funding for this year.

Sabbatical Applications:

Ndeh, Festus	Fall 2017
Pittman, Julian	Fall 2017

The committee agreed to support these Sabbatical Applications.
