*These grants were put on hold for further conversation with colleges because of the informal format of the conferences and no actual presentation.

Wayne Morris was concerned with funding a panel discussion without a presentation and whether the FDC should fund. After discussion Hal Fulmer said he would check with the colleges about them possibly funding the grants before they were approved or denied by the FDC Committee.

Motion was made by Diane Bandow to approve the above listed grant requests with the exception of those grants where additional information is needed.

Second was made by VJ Gompa.

Motion was approved.

Instructional Improvement (IIG)

Name	Amount	Approved	Items needed
Johanna Alberich	\$1,198.15	Tabled	Additional Information
Mary Colley	\$1,788.90	Tabled	Additional Information
William Hamby	\$1,771.20	Tabled	Additional Information
Jerry Johnson	\$1,304.50	Tabled	Additional Information
Barbara Minsky	\$2,000.00	Tabled	Additional Information
Joe Teng	\$1,731.00	Tabled	Additional Information
Robert Wheatley	\$1,739.00	Tabled	Additional Information

There was a lot of discussion because these grants are not being used to purchase materials and supplies that will help in teaching, as is the purpose of the IIG. 5 out of the 7 were to be used for SCOB staff to receive training at conferences for their AA accreditation that the college is trying to obtain. Hal Fulmer will check with SCOB about the college financing their own staff as part of the cost of the AA accreditation. The last 2 IIG requests were also for funding staff to attend conference but not purchase material and supplies and Hal Fulmer will contact the CCFA about that college funding their staff to go. All 7 grants have been tabled. Continued discussion on the guidelines of the IIG continued and they need to be changed, updated and tightened to narrow the purpose of the grants. Possibly working on the rewording or reworking of the IIG's before the next FDC session in October.

Motion was approved.

Summer Research Grant (cont.)

Name	Amount	Approved	Items needed

Vitaly Voloshin	\$2,250.00	Yes	None

*VJ Gompa brought up about if we should fund summer salary for 12 month salary or if they hold administration job should they be funded as the guidelines say they should not. Hal Fulmer will check on these grants before funding.

Min Carter was denied because we funded her the past 2 years to do research in her own country during the summer, so it was sent back to SCOB to fund her this year since funds were so limited.

Motion was made by Hal Fulmer to approve the above listed grant requests at \$2,250.00 due to limited funds.

Motion was approved.

Sabbaticals

Name	Amount	Approved	Items needed
Gregg Skaggs	Full Salary	Yes	None

Motion was made by Hal Fulmer to approve the above sabbatical and forward to Dr. Ingram's office for final approval.

Motion was approved.

Additional Comments/Follow-up

The Chair announced his intention to:

- Updating the guidelines of the IIG to narrow the purpose of the grants. Possibly working on the wording or reworking of the IIG's before the next FDC session in October.
- Funding of round table discussions at conferences and if to fund them at the same rate as regular paper presentations.
- Possibly Symposium of Colleagues here on campus for the staff to show their work.
