Following a brief discussion, Dr. Riley motioned to approve the recommendation. Dr. Harrington seconded. The motion was approved.

6. **Deactivate MSN-CNS Track**
   Dr. Riley presented a request to deactivate the MSN-CNS Track program and to remove this program from the 2014-2015 Graduate Catalog. 7. **Ph.D in Sport Management Modifications**
   a. Dr. Martin presented a request to update the Ph.D in Sport Management program. The deletion of the accreditation section from the catalog.
   b. Update the GRE scores. The current GRE scores listed are based on the old exam. Would like to keep old GRE score range and add the new GRE score range. Change GRE Score section under requirements to “Submission of GRE score (verbal and quantitative): Students scoring 297 or higher on the GRE (verbal and quantitative) will be given full consideration for admittance into the Doctoral program. Students scoring below 297 on the GRE may be required to (in addition to other admission requirements) interview with the Doctoral Admission Committee prior to full consideration of admittance into the program.
c. Modification of the Doctoral Admission Committee so students that are admitted into the program will only be assigned one primary research advisor.

d. The addition of a Dissertation Committee in which each student in the program will select a Dissertation Committee. The Dissertation Committee should be comprised of a minimum of four members of which three should be faculty members in the School of Hospitality, Sport and Tourism Management.

e. Modification of Admission to Doctoral Candidacy section on bullet point 2 the deletion of “preliminary” and replace with “comprehensive”. Clarification was need so students would know that it was in fact the comprehensive exam and to eliminate any confusion that might occur. Also the deletion of “all residency requirements” and change to “new student orientation” on bullet point 5. These modifications do not require students to have residency requirements in the program but will require students to complete a new student orientation.

f. The modification of Other Requirements section to include the deletion of course numbers for Qualifying Exam, Preliminary Exam, and Dissertation Defense. Change “Preliminary Exam” to “Comprehensive Exam”. With the stated changes the section should read, “Doctoral students are required to successfully pass the Qualifying Exam and Comprehensive Exam with a score of 80% or higher. The Qualifying Exam should be taken during the semester after successful completion of 18 hours of the doctoral core. Students should take the Comprehensive Exam during their last semester of coursework. Students are also required to successfully defend their dissertation.”
