Motion passed.

II. Steve Padgett was present to discuss the Internal changes in JRN & COM programs/minors.

1. Creation of new courses:

COM 3XXX Communication Research class (3)

This course will help students develop critical thinking skills through an introduction to the concepts and principles of scientific research in communication and journalism. Some of the topics included in this class are the basics of identifying problems, hypothesis formation, measurement construction, validation, research designs, analysis techniques and proper interpretation of results.

COM 3XXX Fundamentals of Speechwriting class (3)

This course gives a hands-on, detailed instruction in the art and skills of researching and writing solid speeches, including how to make points clearly and maintain the audience interest. Speechwriting is approached from the perspective of writing speeches for others and for yourself.

COM 4XXX Crisis Communications class (3)

This course prepares students for anticipating and managing perceived and real crises faced by communication managers in organizations. The class explores appropriate communication leadership styles and strategies before, during and after a crisis.

Re-activate:

JRN 3375 Public Relations Writing (3)

This course focuses on developing the professional writing skills required for public relations practitioners, AP style and how to write effectively for clients, the media and for online publications.

De-activate:

COM 2220 Ethnicity and Race in American Media (3)

Motion was made by Rodger Morrison to accept new courses for Communications, to re-activate JRN 3375, & de-activate COM 2220..
