**Revised Courses /Majors/Minors**  
**Renumbered Courses**  
**New Majors or Minors**  
~~**Eliminated Courses**~~

**FIRST YEAR STUDIES**

**1. Changing the title of TROY 1103, course credit hours and course description.**

**Current:**

**TROY 1103 ~~College Success Strategies (1)~~**

The purpose of this course is to educate and equip Troy University students with information, skills and experiences necessary for current and long term success, both in college and in life.

**TROY 1103 **The Learning Mindset (1 or 3)****

The purpose of this course is to educate and equip Troy University students with information, skills and experiences necessary for current and long-term success, both in college and in life. Students will be presented with practical application techniques for inclusion in other courses offered at Troy University, specifically within English and Mathematics courses. Growth Mindset Theory and metacognitive learning strategies will be introduced to students. Self-awareness, self-management, time management, goal setting, and other topics will be discussed.

*Note: TROY 1103 is 3 credit hours for Troy Campus students and 1 credit hour for Dothan Campus students.*

Motion Approved.
