

## FACULTY SENATE RESOLUTION 1-2016-2017

WHEREAS data collection and analysis are critical aspects of faculty research and college and university accreditation processes, and

WHEREAS a number of online survey platforms exist within the university to support faculty research within various colleges and current demands for data within university departments, and

WHEREAS some of these survey platforms have been secured through individual college or departmental licenses with Qualtrics,

THEREFORE, BE IT RESOLVED that the Faculty Senate supports the acquisition from Qualtrics of a university-wide research-suite survey license, with unlimited users, which also absorbs and migrates any and all current Qualtrics license holders at Troy University.
