

RESOLUTION 1-2010-2011

FACULTY SENATE REPRESENTATION STANDING AND AD HOC UNIVERSITY COMMITTEES

The intent of this resolution is to provide consistent procedures for appointing Faculty Senate representatives on Troy University committees on which the Faculty Senate has specific representation.

Appointees to Troy University committees (except in situations where representation is by formal position on the Faculty Senate) from the Faculty Senate:

- 1) shall be members in good standing of the Faculty Senate;
- 2) shall serve a term of one year (August through July) on that committee; and
- 3) may be re-appointed for up to two additional years (maximum three years) on that committee.

This procedure shall not apply to appointments from the Faculty Senate membership made by the Chancellor directly. [However, the member should resign any such committee appointment when Faculty Senate term ends.]
