

RESOLUTION 2-2011-2012

Email Approval of Faculty Senate Minutes

The purpose of this resolution is to allow for the minutes of Faculty Senate meetings to be distributed in draft form, amended, and approved via email. This will allow a more timely publication of the approved minutes than waiting to approve them at the next meeting, especially during those months when no meetings are scheduled.

Because the Constitution of the Faculty Senate does not bind the Senate to conducting its business according to Robert's Rules of Order, this resolution is the only authorization that is needed.
