## **Contracts, Grants and Sponsored Research**

### **Grant**

Wickersham, K. (Supporting), Green, D. M. (Principal), Willis, J. P. (Supporting), "Building Bridges Community Project Grant," Sponsored by Troy University, Troy University.

Wickersham, K. (Principal), "Paper Presentation Grant," Sponsored by Faculty Development, Troy University, \$750.00. (October 2, 2013 - October 5, 2013).

## **Research in Progress**

"Evaluating the effects of changing a social work program from the traditional classroom to an online classroom." (Planning)

Monitoring and measuring the possible effects of changing the primary classroom setting to an online blackboard setting. This is to monitor areas to ensure that the program maintains its integrity and the students are receiving/processing information needed to become professional licensed social workers.

"Meta-Analysis of Human Trafficking and Prostitution" (On-Going)

A review of the literature to compile research that has been conducted on the topic of human trafficking and prostitution.

"Student Perceptions of Social Work" (Planning)

A descriptive study to capture students' perceptions of social work. The participants are those enrolled in an introductory level social work course. Also being studied are the areas of interest for same social work introductory course students.
