EDUCATIONAL RECORD

Auburn University, Auburn Alabama

Ph.D. Kinesiology / Pedagogy, December 2008

Dissertation: The Effect of a High Autonomy Teaching Intervention on Fitness Outcomes in Fifth Grade Physical Education

Committee Members: Alice Buchanan (Chair), Peter Hastie, Danielle Wadsworth, Mary Rudisill, Jared Russell, & Jill Salisbury-Glennon.

Auburn University, Auburn Alabama

M.S. Health and Human Performance / Pedagogy, May 2003

Thesis: The Effect of a Formal Accountability System on Activity, Participation, Skill, and Fitness in a Collegiate Physical Education Class.

Committee Members: Peter Hastie (Chair), Alice Buchanan, & Peter Grandjean.

University of South Carolina, Columbia South Carolina

B.S. Physical Education, May 2001

Faculty Studied under: Judith Rink, Peter Werner, Karen French, & Murray Mitchell.

PROFESSIONAL EXPERIENCE

Interim Department Chair, Troy University, Troy, Alabama, October 2015 to present

Responsibilities include managing departmental activities and programs, including the physical activity program; supporting, evaluating, and recruiting faculty and staff; providing effective academic leadership and developmental mentoring of faculty and students in the department; coordinating the accreditation efforts of all program areas; supervising fiscal and physical operations; directing student recruitment, retention, and advising programs for majors; overseeing the continuing review of curricula in light of current accreditation requirements; teaching in the area of expertise as appropriate; acting as a productive faculty member in all areas of scholarship, and service; serving as an effective advocate for the department and its programs; fostering cooperative efforts with other departments and programs in the college and university; and promoting collaboration among faculty and with P-12 schools and agencies, community, and industry partners.

Associate Professor, Troy University, Troy, Alabama, August 2014 to present

Responsibilities include teaching various lecture courses in the area of health and physical education for the Kinesiology and Health Promotion department. Supervising and evaluating student interns placed in neighboring school districts. Conducting research in the field for publication in peer reviewed journals and presentations at conferences. Providing service to the university by serving in various roles including committees, camps, etc.

Assistant Professor, Troy University, Troy Alabama, August 2008 to 2014

Responsibilities include teaching various lecture courses in the area of health and physical education for the Kinesiology and Health Promotion department. Supervising and evaluating student interns placed in neighboring school districts. Conducting research in the field for publication in peer reviewed journals and presentations at conferences. Providing service to the university by serving in various roles including committees, camps, etc.

Graduate Teaching Assistant, Auburn University, Auburn Alabama, August 2005 to August 2008.

Responsibilities include teaching various activity courses within the kinesiology department, planning and structuring a physical education program for a local youth development facility for grades fifth through twelfth, and team teaching part-time at local schools within a county district.

Physical Education Teacher/Research Assistant, University of Alabama at Birmingham, Birmingham Alabama, August 2004 to August 2005.

Responsibilities include teaching a physical activity protocol at three local schools for purposes of data collection for the P.A.S.S. (Promoting Anger and Stress management) program. Data entry, calibration and maintenance of research equipment.

Associate Director of Health and Physical Education (Division Chair), The University of Alabama in Huntsville, Huntsville, Alabama August 2003 to August 2004.

Responsibilities include managing all aspects of the department and its programs. Including budgeting, marketing, and fundraising; supporting, recruiting, hiring, and evaluating instructors in the department; negotiating and

finalizing contracts with off campus facilities; coordinating with the athletics department for shared facility usage; scheduling of courses; evaluating, maintaining, and creating new curriculum.
