Dear Parents and Students of Troy University:

In this day and age of soaring health care costs, having health insurance coverage is essential. Troy University is offering a health insurance policy to all registered students taking 6 or more credit hours, as well as coverage for spouses and children.

TU has obtained a specifically tailored program to help meet the benefit needs of the students. This brochure outlines the basic details of the Student Health Insurance Plan. The Insurance will provide coverage 24 hours a day and is in effect for twelve months.

I hope you will take advantage of this opportunity to provide a measure of security which may allow your college education to continue uninterrupted even if an accident or illness occurs.

Sincerely,

John Dew
Sr. Vice Chancellor, Student Services & Administration

ELIGIBILITY

All registered students taking 6 or more credit hours are eligible to enroll in this insurance plan. Eligible students who do enroll may also insure their eligible dependents who are: (1) the Insured Person's spouse residing with the Insured Person, and (2) the Insured Person's unmarried children under age 26 who reside with the Insured Person. Students who enroll their dependents must enroll them for the same term of coverage for which the Insured Person enrolls. Dependent coverage (except for newborn infants) must be applied for at the same time the student enrolls.

This student health insurance coverage is compliant with the HHS ruling of March 16, 2012 that pertains to Student Health Insurance, however, it may not meet the minimum standards required by the health care reform law for the restrictions on annual dollar limits pertaining to other types of health insurance other than Student Health Insurance. The annual dollar limits ensure that consumers have sufficient access to medical benefits throughout the annual term of the policy. Your Student Health Insurance coverage has an annual limit of \$100,000 per Policy Year on all covered benefits.
